

ABCD Orientation – October 20, 2010  
Clark County Center for Community Health

Existing System Limits to Full Community Engagement  
Small Group Discussion Highlights

**1. System Barriers**

- ❖ way outcomes are reported + time burden
- ❖ funding tied to outcomes
- ❖ lack of community input
- ❖ lack/difficulty in partnerships

**2. Engagement Limitations**

- ❖ method + type of info used - jargon
- ❖ provider connectivity - silos
- ❖ info overload + credibility
- ❖ grass roots engagement lacking - institutionalized
- ❖ scarcity of resources
- ❖ limited relationships

**3. Collaboration Challenges**

- ❖ corporate priorities
- ❖ scarcity of resources
- ❖ lack of committed leaders
- ❖ need to earn trust
- ❖ lack of feedback/info sharing
- ❖ more partnership than collaboration
- ❖ types of money
